**Statement of Awareness**

**Parents and Students...Please read each statement, then sign below.**

In the process of attending an Orientation with a VIC staff member, I have read, understand and acknowledge the following:

- *VIC Behavior & Academic Expectations*
- *VIC Cumulative Exam Policy*
- *VIC Dropped Class Policy*
- *VIC NCAA Acknowledgment Form*

I also understand and acknowledge that if the student's progress begins to fall behind, or if the student's grades in one or more classes is of concern to VIC staff, the student may be required to attend mandatory Open Lab sessions in order to aid in improving the student's academic standing in the VIC.

Finally, I understand and acknowledge that if the student's performance in his or her online classes is of serious concern to the VIC administration, both the student and parent(s) may be expected to meet with the Coordinator in order to come up with a plan to rectify the situation and help the student to succeed.

**NCAA ACKNOWLEDGMENT FORM**

If your student wishes to participate in an NCAA athletic program in college, there are specific rules and requirements designed by the NCAA that may differ from your high school graduation requirements including what types of nontraditional courses meet NCAA core-course requirements.

Please take the time to research these NCAA requirements because they may affect your student's eligibility in college. This information can be found at: [http://fs.ncaa.org/Docs/eligibility\\_center/OVN/Nontraditional\\_Course\\_FAQ/engage.html](http://fs.ncaa.org/Docs/eligibility_center/OVN/Nontraditional_Course_FAQ/engage.html)

**NOTE: All Courses from the Vail Innovation Center are NCAA approved. This means there is no pre or prescriptive testing.**

If you are not interested in being an NCAA athlete, please check the box below and complete the bottom portion. If you are interested in being an NCAA athlete, ONLY complete the bottom portion to ensure you are in compliance for NCAA.

My student **is NOT** planning on being an NCAA athlete in college and would like to utilize the pre-assessment feature.
